A heartwarming comedy about the transformative power of love, no matter what age you are! On an ordinary day in a routine life, widower Ralph takes a different path on his daily walk and meets Carol, who is sitting on a bench at a dog park. Relying on his boyish charm and a fictional dog named Rex, Ralph woos Carol, and they embark on a hilarious and touching journey that proves it's never too late for romance. This laugh-filled comedy cleverly explores relationships between people in their golden years, and how the invisible bonds of family often tie our hearts tighter than any love affair.
