Merry Christmas in July, and thank you for bringing socks not to hang for Santa, but to donate to others.

Special welcome today to guests and new members!

It's with deep sorrow that we mention here that member **Judy Boedecker's** husband has died since our last meeting, and that former member **Cathy Cassasanta** has also died. If you're missing **Betty Miller** here today, it's because she is currently "rehabbing" at *Finger Lakes Center for Living*. If there are other members with reasons to hear encouraging or sympathetic words from us, please remember to call **Pat Baran (@ 315-834-9993)**, and she will send a card from all of us.

Updates and news in brief:

~~Kathy has a pair of **black sunglasses with white polka dots**, found at Yawger Brook after last month's meeting. See her if they belong to you.

~~Check out the **New to You** table here for anything you may not have lost, but might find that suits you. As always: Thanks for taking home anything you brought that doesn't go home with someone else today.

~~As you support the now-in-full-swing farmers' markets, be advised that other **baked goods provided by Dorothy Lafroon**, who supplied last month's cupcakes, will be available weekly **at the Owasco Farmers Market**. at the firehouse in Owasco.

~~Thanks to all who filled out the **activities survey** in June. Kathy will report on the results.

~~More than 15 people took advantage of **drivers' safety classes** held by Ray Lawlor and David Bowman!

~~Examination continues of the former "**Citizen**" newspaper boxes, with an eye toward creating a **community book/puzzle/activities exchange/little library** c/o Sennett Seniors. If you have books, etc. to contribute, please hold onto them for the time being.

~~Save the Date! **Wednesday, September 13: Seniors Fair 8:30—1:30 at Finger Lakes Mall**...lots of varied displays and information supplied by organizations with particular pertinence to People Our Age! ☺

~~The **September 14 trip to Old Forge** is a "go"—and it's full!

~~Unfortunately, the August **trip to Oswego** has been cancelled for several reasons.

But of course our meeting in August is still on; and here is some info. about that and the next meeting:
