   *HAPPY BIRTHDAY*-----to all of us!!-----    Whether your birthday was last week, or is tomorrow, or may be months from now, we're celebrating us all today!

And welcome to The Balloon Man!!! 

In addition to thinking about birthdays, we can keep in mind **Irene Adams**, who has spent some time recently at The Commons. Please remember to let **Pat Baran (315-834-9993)** know of any member we might be missing, and who might like to hear from us...Pat will send a card on our behalf.

Following our new policy, half of our most recent 50-50 raffle money was donated to a nonprofit organization which in May was **Matthew House**, from whom we subsequently received a very grateful thank you note. In addition to the 50-50 money, more than 100 gifts were given by our members. A special thanks to **John Komariski**, who gave back his 50-50- winning money to add to our Matthew House donation. Please feel free to submit the name of a local nonprofit organization to perhaps receive 50-50 "halves-ies" in the future

If you ever consider inviting a guest to any of our meetings, please keep in mind that cost per guest is now \$25 unless the guest is a Sennett resident, in which case cost is \$20, the same as for a member. RSVP and payment due dates are the same for guests and members.

Six tickets remain available for the **June 25<sup>th</sup> trip to "The Last Romance" @CRT**. See Kathy right away if you are interested.

If you haven't already done so, please fill out a **needs assessment survey today for the Office for the Aging**. Responses from the public are invaluable to their planning and funding decisions.

**Three members of Cayuga County Senior organizations have been recognized** for their significant contributions to the Senior Council and the welfare of senior residents in the county—Read about them in the "News and Views".

It's quite unnecessary today to mention that Summer Is Here!!! Along with grass growing like Topsy, return of farmers' markets and of shows at The REV, great summertime food here at Yawger Brook, the heat, and the end of school, there are these summertime events to look forward to:

~~June 25<sup>th</sup> trip to CRT's performance of "The Last Romance" ---Six tickets remain available. See Kathy right away if you are interested.

~~our 11:30 Wednesday, July 17<sup>th</sup> meeting at The Lodge. Susan Gray will be our presenter, representing Aurora, a regional organization supporting people with hearing and visual differences and challenges. RSVP (to Kathy or MaryEllen) and payment date is July 8<sup>th</sup>. Cost is \$20 per person, with exceptions for guests, military veterans, and those in the "90+ Club".

~~our indoor (Sennett firehouse) flea market on Friday, July 26<sup>th</sup> from 9:00 until 1:00, for which you can sign up today. Otherwise, **reservation and payment are due to Kathy or MaryEllen by July 1<sup>st</sup>**. Cost of a table is \$5; there is a limit of two tables per "vendor". Vendors are responsible for their own money, pricing, and setup—just as if we were doing this from our homes. No clothing or electronics, please! If you will be participating, reserve time on your schedule on Thursday, July 25<sup>th</sup>—possibly around 2:00 (Kathy will let us know) to be at the firehouse to set up your table(s).

A few thoughts to consider this week of beastly heat ☀, while you sit with a glass of icy lemonade, or in a pool of cool water, or in an air-conditioned space listening to calming music----cool, huh?...

I woke up this morning determined to drink less, eat right, and exercise. But that was four hours ago when I was younger and full of hope.

The biggest joke on mankind is that computers have begun asking humans to prove that they aren't robots.

For those of you who don't want Alexa or Siri listening in on your conversation, take heart: A male version is in the works...It doesn't listen to anything.

Reading gives us someplace to go when we have to stay where we are.

Stay coooool....
