

**Town of Sennett
Water System Questionnaire**

The purpose of this questionnaire is to gauge the interest in pursuing public water in your area. Your input provides vital information for the Town Board in selecting areas to pursue public water on behalf of the residents of the Town of Sennett. Please understand that answering this questionnaire does not guarantee that your area will receive public water. Filling out this questionnaire also is not binding, is not a vote for or against water, and is only to obtain general information and interest in public water.

Name: _____

Date: _____

Address: _____

1. How many persons occupy this household? _____

2. Do you own or rent the living quarters? _____

3. Does your well consistently produce good quality water? Yes No

If the well water quality is poor, what are the problems you experience? _____

4. Does your well consistently produce enough water to meet the needs of your household?

Yes No

5. Do you buy or bring in water to meet your needs? Yes No

If Yes, approximately how much do you spend for water each month? _____

6. Do you have a water treatment system currently installed to meet your needs?

Yes No

If Yes, please describe the system used and approximately how much do you spend for treatment each month?

7. Do you support the extension of public water to your residence?

Yes No

8. The Town will make every effort to make the extension of water affordable, however the reality is that any water system will be expensive. **What would be the maximum amount you be willing (or able) to pay up to per year to receive public water? (This cost includes the debt service for the project and the estimated cost to purchase water)**

\$1,200 per year

\$1,500 per year

\$1,700 per year

\$2,000 per year
